EXTERIORS AND ARCHITECTURE

Residential Exterior Design, Reconstruction, Renovation

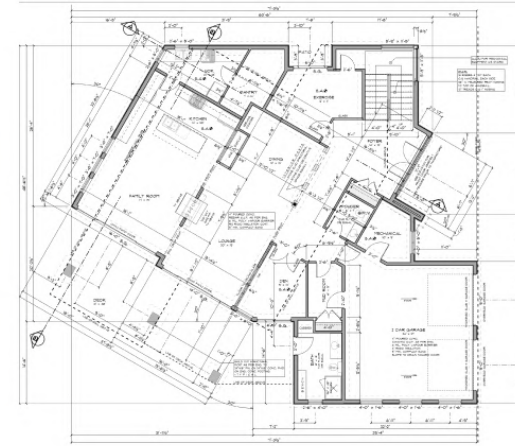

WEST VANCOUVER RESIDENCE

EXTERIOR • INTERIOR • LANDSCAPE DESIGN

PROJECT DETAILS

Location: West Vancouver, Canada

Year: 2025

Project Summary:

Created for sale, it highlights minimalist aesthetics, clean lines, and refined geometry. Warm natural materials and thoughtful lighting create an atmosphere of comfort and elegance, while every detail reflects a balance between architectural expression and harmony with the natural surroundings.

REAL PHOTO

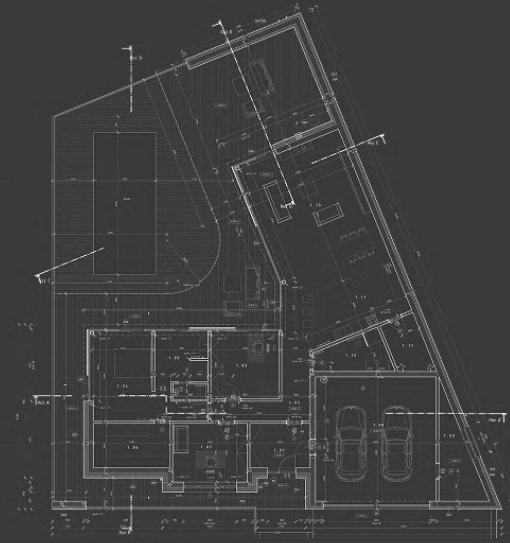

FAMILY RESIDENCE

EXTERIOR • INTERIOR • LANDSCAPE DESIGN

— *Niki Creative Spaces* —
FROM VISION TO REALITY

PROJECT DETAILS

Location: Nitra, Slovak Republic

Year: 2024

Project Summary:

Crafted for a young couple in Slovakia's village landscape, this project seamlessly merges modern architecture with nature's embrace.

ZLATA JARABICA

RECONSTRUCTION OF HISTORICAL BUILDING & DESIGN OF RESTAURANT

PROJECT DETAILS

Location: Nové Zámky, Slovak Republic

Gray - RAL 7004

Brick - close to RAL 7039

In the heart of Slovakia's historic town of Banská Štiavnica stands a timeless architectural gem dating back to 1745.

Tasked with its reconstruction and the design of "Zlata Jarabica" restaurant, in this project seamlessly blend history with modernity.

DNIPRO RESIDENCE

EXTERIOR • LANDSCAPE DESIGN

PROJECT DETAILS

Location: Dnipro, Ukraine

Year: 2020

Project Summary:

A refined classical residence designed for a family of five — parents and three children — in Dnipro, Ukraine. Created for a successful business family, the home embodies timeless elegance, balanced proportions, and warm, inviting interiors. The architecture blends classical detailing with modern comfort, resulting in a sophisticated yet welcoming family estate.

INTERIOR DESIGN

Residential Houses

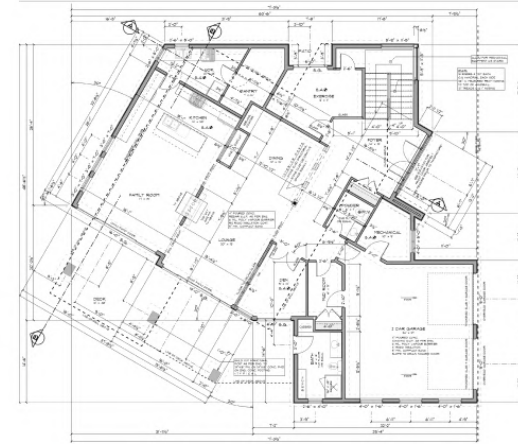

WEST VANCOUVER RESIDENCE

COUNTRY HOUSE

INTERIOR DESIGN • CUSTOM FURNITURE DESIGN

PROJECT DETAILS

Location: Burno, Czech Republic

Year: 2023

Project Summary:

This project entailed a full interior redesign for a private residence nestled in a village. The homeowner desired a luxurious yet modern interior that would stand out through a striking black, white, and gold color palette. The aim was to create a space that exudes elegance while providing comfort and functionality.

NORDIC STONE HOUSE

INTERIOR • LANDSCAPE DESIGN CUSTOM
• FURNITURE DESIGN

Niki Creative Spaces
FROM VISION TO REALITY

PROJECT DETAILS

Location: Zvolen, Slovak Republic

Year: 2023

Project Summary:

This contemporary interior blends modern design with natural materials and Nordic-inspired character. The space features a large fireplace made of black natural stone, modern furniture, and high vaulted wooden ceilings, creating a warm atmosphere inspired by Viking

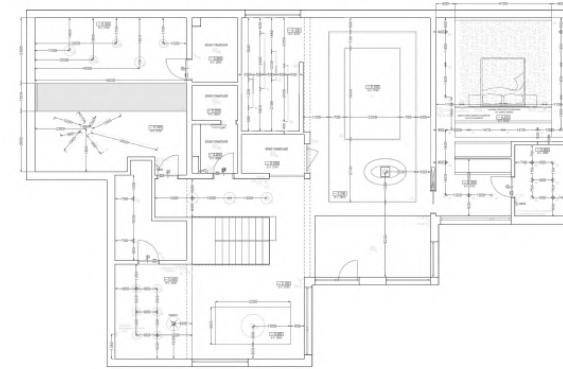

MONOCHROME RESIDENCE

INTERIOR DESIGN • CUSTOM FURNITURE DESIGN

PROJECT DETAILS

Location: Zvolen, Slovak Republic

Year: 2018

Project Summary:

Ultra-modern residential interior with a double-height living room. The space is designed in a monochrome grey and white palette, creating a clean, minimalist and elegant environment.

FAMILY RESIDENCE

EXTERIOR • INTERIOR • LANDSCAPE DESIGN

Niki Creative Spaces
FROM VISION TO REALITY

PROJECT DETAILS

Location: Nitra, Slovak Republic

Year: 2024

Project Summary:

Crafted for a young couple in Slovakia's village landscape, this project seamlessly merges modern architecture with nature's embrace.

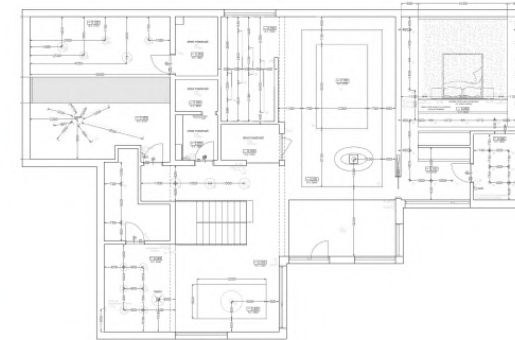

ELEGANT CLASSIC RESIDENCE

INTERIOR DESIGN • CUSTOM FURNITURE DESIGN

PROJECT DETAILS

Location: Zvolen, Slovak Republic

Year: 2017

Project Summary:

A residential interior designed in a modern classic style. The space features marble finishes with decorative marble patterns, a suspended ceiling with illuminated classical motifs, and elegant contemporary furniture. The design combines timeless classical aesthetics with a refined modern approach.

NAVY & GOLD ELEGANCE

INTERIOR DESIGN • CUSTOM FURNITURE DESIGN

Niki Creative Space
FROM VISION TO REALITY

PROJECT DETAILS

Location: Slovak Republic, Bratislava

Year: 2019

Project Summary:

This apartment designed for a young woman seamlessly blends classic and contemporary aesthetics, featuring deep navy cabinetry paired with warm brass/gold fixtures and crisp white surfaces throughout.

INTERIOR DESIGN

Commercial Spaces

PIZZA HUT INTERIOR DESIGN

BRAND-COMPLIANT SPACE PLANNING

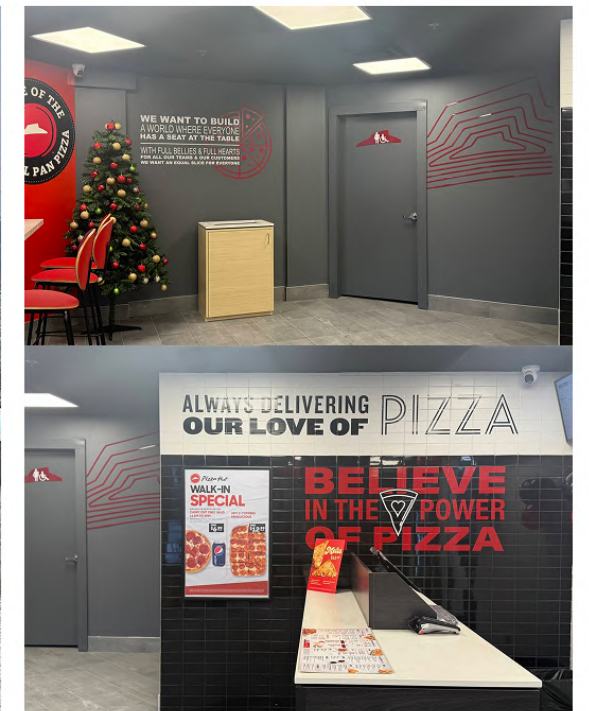

PROJECT DETAILS

Location: Whistler, Canada

Year: 2025

Project Summary:

Developed a full interior design project for a Pizza Hut location, adapting the brand's official visual guidelines and identity standards to fit an existing rental space. The work involved space planning, layout optimization, and translating corporate brandbook requirements into a functional and cohesive dining environment.

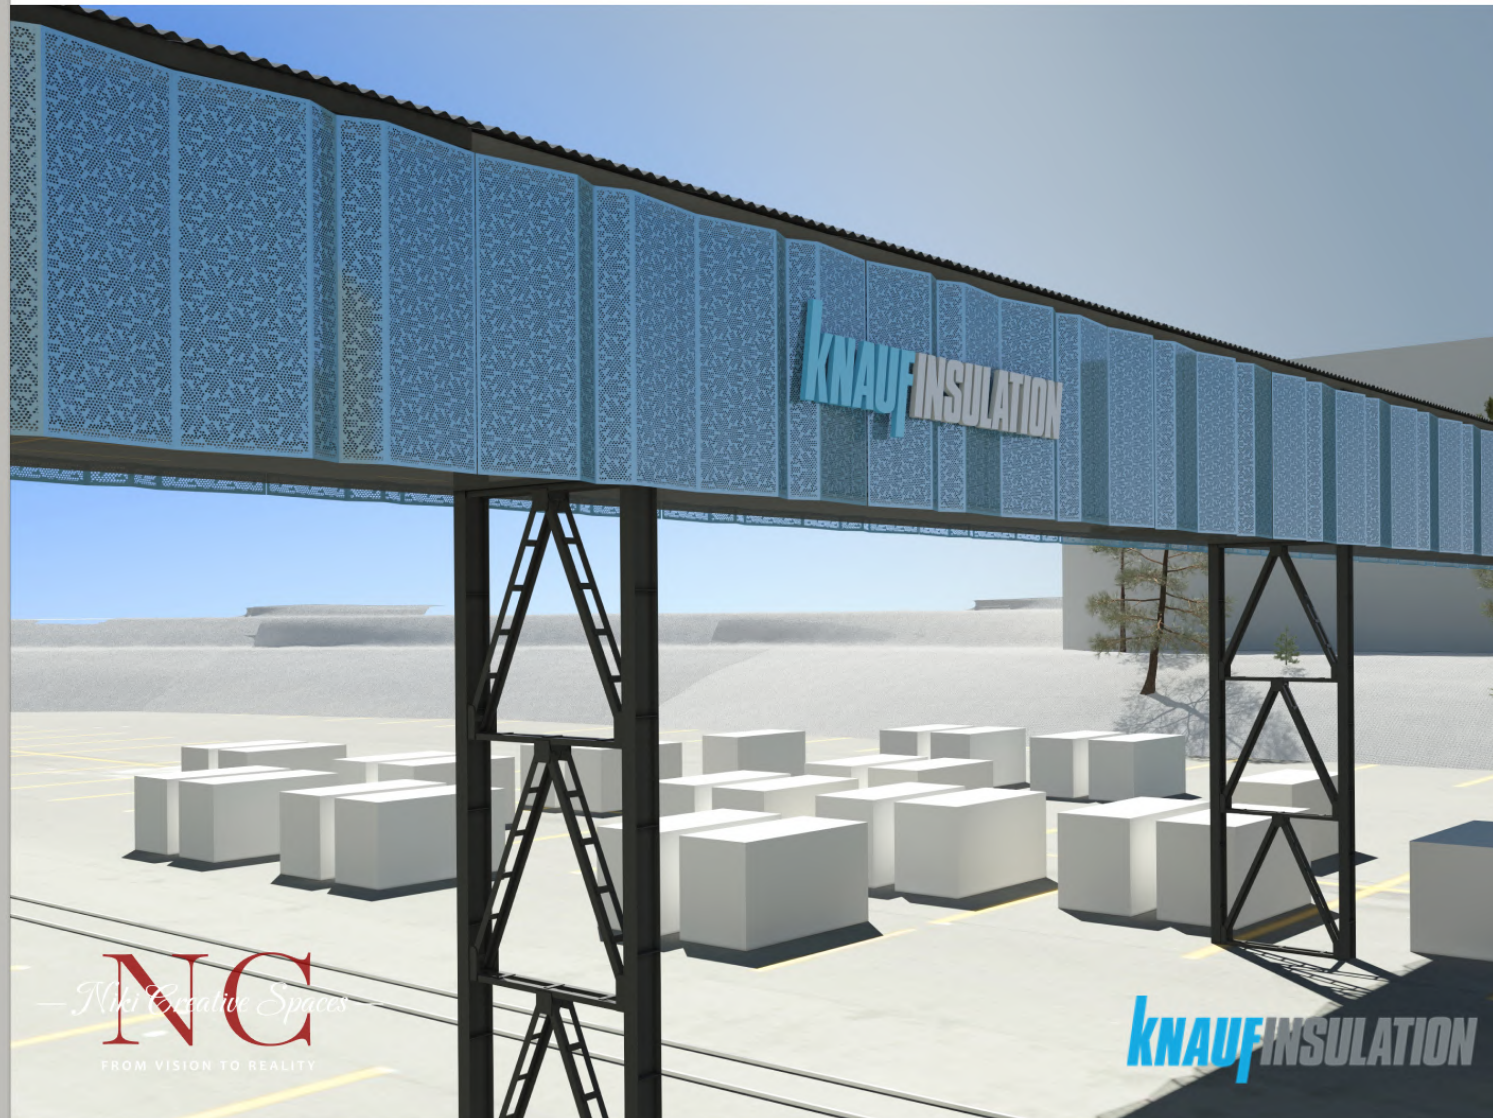

360 VISUALISATION

KNAUF INSULATION

CORPORATE OFFICE & EXTERIOR DESIGN

PROJECT DETAILS

Location: Sliach, Slovak Republic

Year: 2024

Project Summary:

Designed a corporate office interior for Knauf Insulation, incorporating the company's brand identity and requirements into a professional, functional workspace with a modern reception and meeting areas. The project also included the exterior design of a covered walkway connecting two factory buildings, maintaining industrial aesthetics while reflecting the corporate visual style.

BUDOÁR KVETINÁRSTVO

FLORAL BOUTIQUE INTERIOR DESIGN

Niki Creative Spaces
FROM VISION TO REALITY

PROJECT DETAILS

Location: Zvolen, Slovak Republic

Year: 2020

Project Summary:

Designed a visually captivating flower shop within an existing retail space, combining lush living moss walls, decorative mirrors in Baroque and Rococo styles, and custom accent lighting to create an immersive, elegant atmosphere.

JAMA FERDINAND

INDUSTRIAL HERITAGE TRANSFORMATION

PROJECT DETAILS

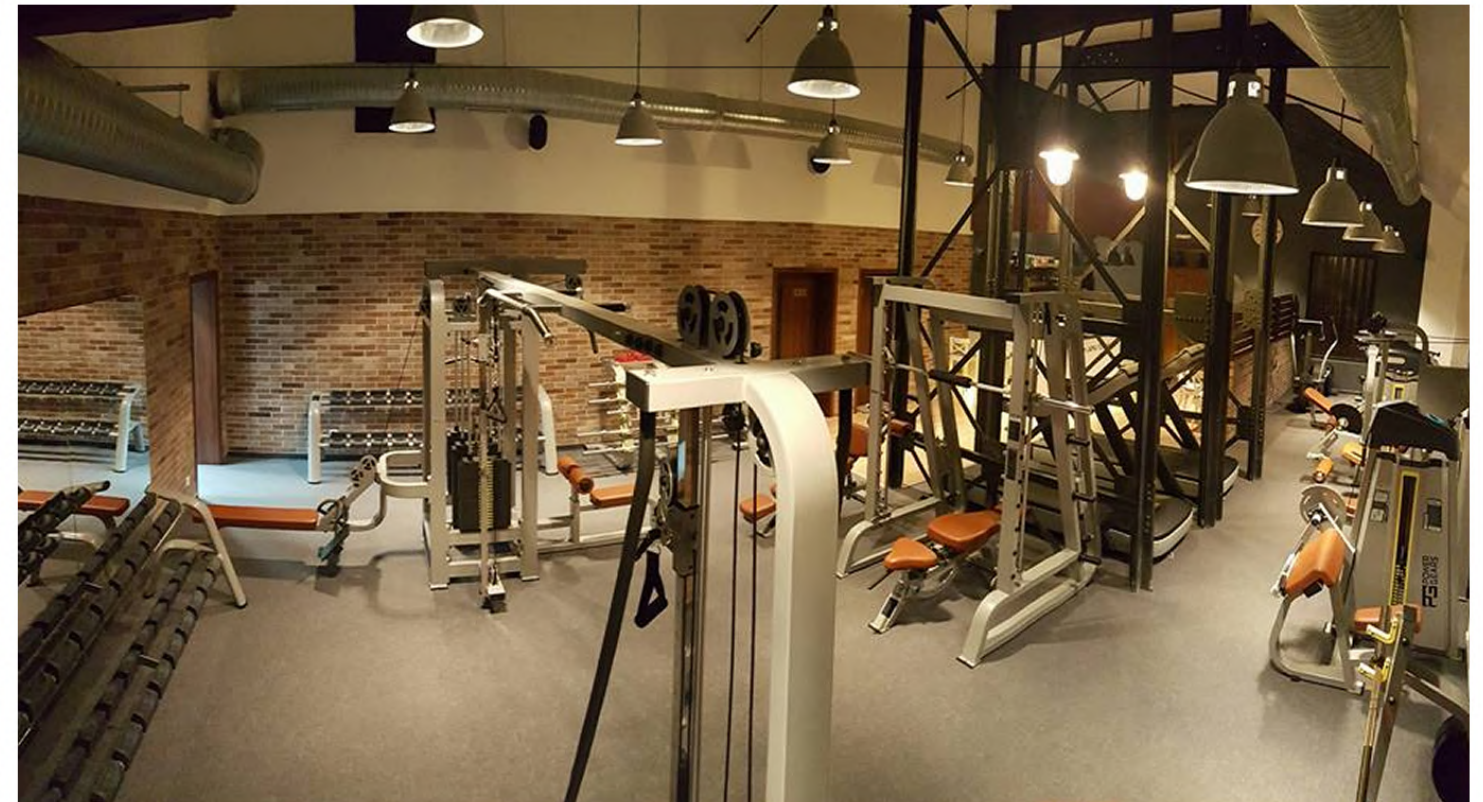

Location: Kremnica, Slovak Republic

Year: 2021

Project Summary:

This project represents the interior reconstruction of a historical mining building in Kremnica, Slovakia. The former mine has been transformed into a modern fitness hall in an industrial loft style.

CAFFE SPEZAX

HISTORIC RENOVATION

PROJECT DETAILS

Location: BB, Slovak Republic

Year: 2024

Project Summary:

This project presents the interior visualization of a café for the well-known Slovak brand Spezax. The space is located within a historic architectural landmark undergoing sensitive reconstruction.

The design carefully preserves the building's original character, including the beautiful vaulted ceilings, classical columns, and an ornate historic carved bar.

CAFFE SPEZAX

CAFÉ INTERIOR DESIGN

PROJECT DETAILS

Location: Zvolen, Slovak Republic

Year: 2018

Project Summary:

Designed a warm and characterful café interior in the heart of Zvolen, blending industrial and vintage elements — exposed brick, copper pipe Edison-bulb fixtures, and rich dark wood — with a bold navy accent wall and signature rope-hung swing seats as a playful focal point. The result is an inviting, eclectic atmosphere that balances rustic charm with modern character.

JADRAN CAFFE

CAFÉ & BAR INTERIOR DESIGN

— Niki Creative Spaces —
FROM VISION TO REALITY

PROJECT DETAILS

Location: Zvolen, Slovak Republic

Year: 2018

Project Summary:

An elegant café interior with a striking monochrome marble-effect feature wall, gold 3D signage, and a marble bar counter. Warm mustard and teal velvet seating add sophisticated European charm against soft neutral tones and classic patterned floor tiles.

PAMIR HOUSE

TRADITIONAL DINING ROOM

PROJECT DETAILS

Location: Astana, Kazakhstan

Year: 2024

Project Summary:

Designed an authentic Pamir-style ceremonial dining room for a restaurant in Kazakhstan, featuring a traditional low-seating layout with rich crimson upholstery, carved wooden ceiling, and ornate built-in shelving. The space is layered with ikat textiles, Persian-inspired carpets, and decorative ceramics to create an immersive historical atmosphere rooted in Central Asian heritage.

CONTINENTAL

OFFICE RENOVATION

PROJECT DETAILS

Location: Zvolen, Slovak Republic

Year: 2017

Project Summary:

Renovated office spaces for Continental's Slovak location, adapting the corporate brand identity into a functional and modern work environment. The project involved space planning and interior redesign aligned with the company's global visual standards.

EUROFINS

CORPORATE OFFICE INTERIOR

PROJECT DETAILS

Location: Nové Zámky, Slovak Republic

Year: 2017

Project Summary:

Designed a bright and comfortable office environment fully aligned with Eurofins' brand identity, incorporating the company's signature blue and orange palette through wayfinding elements, accent stripes, and 3D signage. The layout balances open workspaces with glass-partitioned meeting rooms, warm oak wood accents, and soft blue flooring to create a welcoming atmosphere for employees.

ZLATA JARABICA

HISTORIC BUILDING RESTAURANT & BAR

PROJECT DETAILS

Location: Nové Zámky, Slovak Republic

Year: 2018

Project Summary:

Reconstructed a historic building facade and adapted the interior into a loft-style restaurant bar, preserving original vaulted brick ceilings and rustic stone walls as key architectural features. Dark wood furnishings, Edison bulb pendants, and wine display shelving complete the warm, vintage cellar atmosphere.

LANDSCAPE DESIGN

Residential , Commercial

PRIVATE BACKYARD

LANDSCAPE DESIGN & SUPERVISION

PROJECT DETAILS

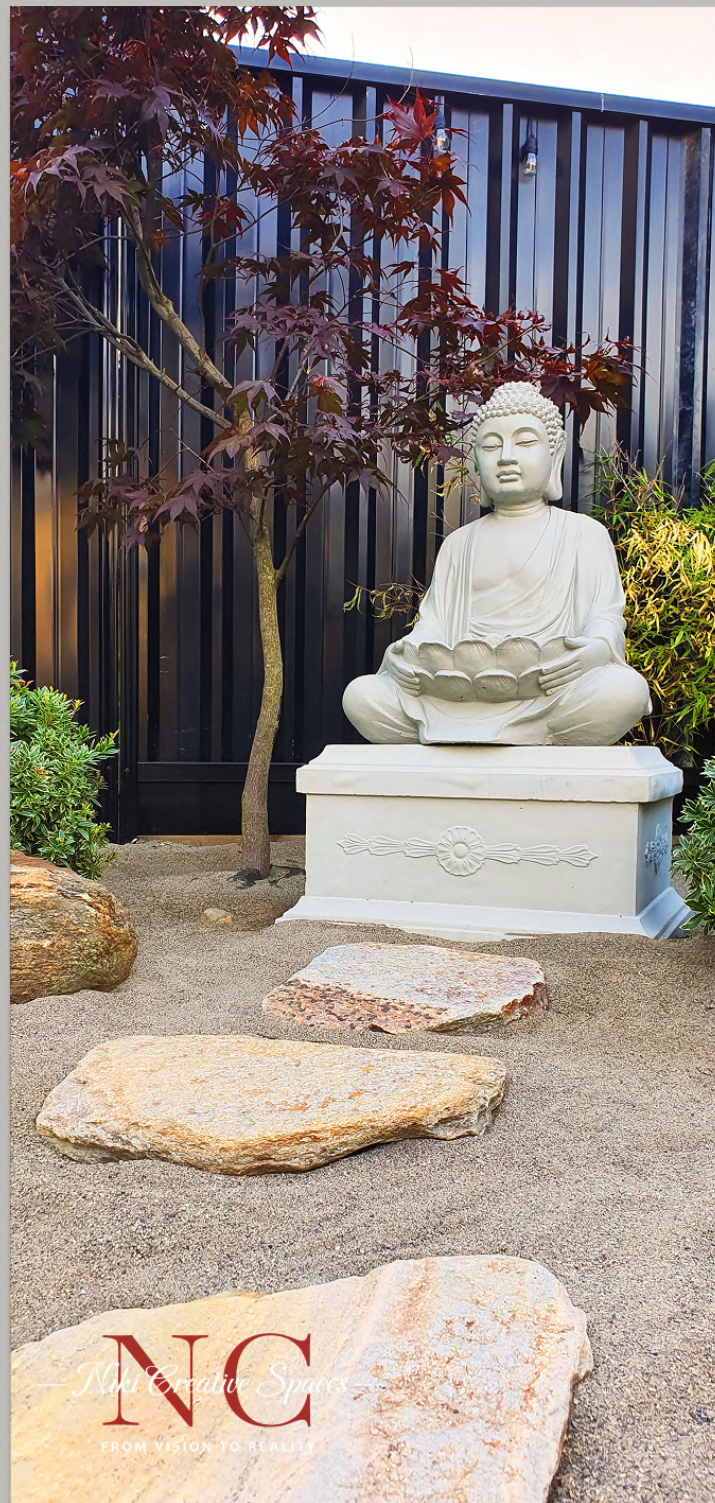

Location: Vancouver, BC, Canada

Year: 2025

Project Summary:

The space features a patio area for outdoor gatherings, decorative fountains that enhance the atmosphere with movement and sound, and a dedicated Zen-inspired corner with sand and a Buddha statue for quiet reflection.

JAPANESE GARDEN

ART LANDSCAPE DESIGN & SUPERVISION

PROJECT DETAILS

Location: Vancouver, BC, Canada

Year: 2025

Project Summary:

This project presents a living Japanese stone garden designed in accordance with Feng Shui principles. The composition includes two bowl-style fountains to activate the flow of water energy, traditional pagodas symbolizing protection and balance, and carefully arranged natural stones representing stability and strength.

PRIVATE PATIO

PATIO & LANDSCAPE DESIGN

Niki Creative Spaces
— FROM VISION TO REALITY —

PROJECT DETAILS

Location: Zvolen, Slovak Republic

Year: 2024

Project Summary:

Designed an atmospheric outdoor entertaining space featuring a covered pergola with natural stone columns, warm wood ceilings, and string Edison lighting. The landscape integrates lush greenery, stone paving, and a built-in outdoor kitchen, creating a cozy all-season retreat perfect for al fresco dining.

PRIVATE GARDEN

LANDSCAPE DESIGN

PROJECT DETAILS

Location: Astana, Kazakhstan

Year: 2021

Project Summary:

Designed a contemporary residential landscape featuring a curved stone pathway through manicured greenery, a swimming pool zone, and a covered outdoor lounge area. Thoughtful lighting design extends the usability of the space into the evening, creating a serene and well-structured garden retreat.

RESIDENTIAL COMPLEX

LANDSCAPE & SITE PLANNING (119 UNITS)

PROJECT DETAILS

Location: Astana, Kazakhstan

Year: 2017

Project Summary:

Developed the landscape design and site planning for a gated residential community of 119 homes, combining detached and townhouse-style units with a cohesive classic architectural facade of grey brick and white stucco. The project included greenery planning, street layout, and communal territory design to create a harmonious and well-organized living environment.

ART GALLERY

LANDSCAPE DESIGN

PROJECT DETAILS

Location: Astana, Kazakhstan

Year: 2020

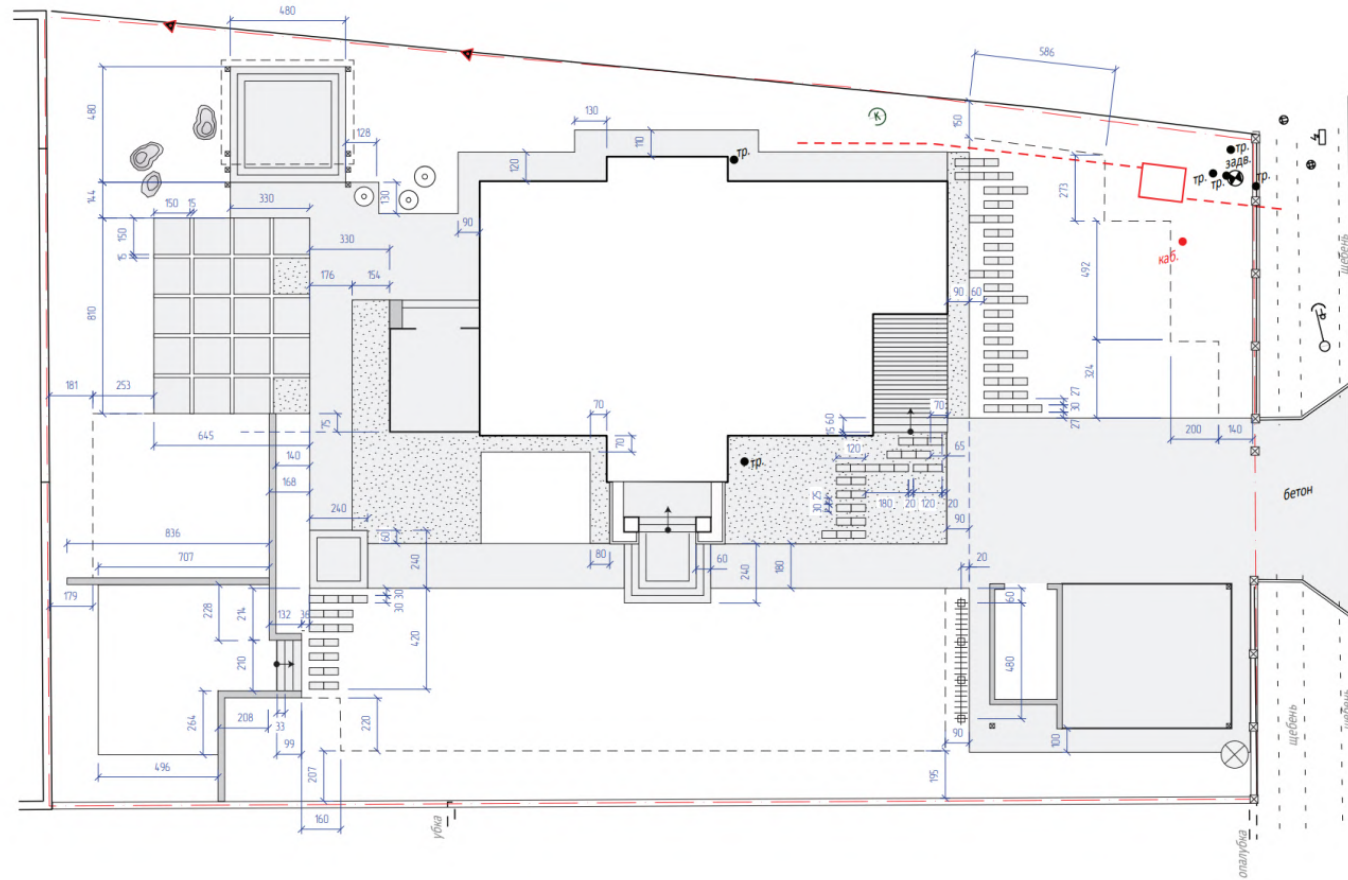

Project Summary:

Designed an art gallery building alongside a comprehensive landscape concept for the surrounding territory, integrating outdoor spaces that complement and enhance the cultural atmosphere of the venue. The landscape planning creates a cohesive environment that guides visitors through the grounds while maintaining a refined, gallery-worthy aesthetic.

FRONT YARD - FIRST OPTION

LANDSCAPE DESIGN

PROJECT DETAILS

Location: Surrey, BC, Canada

Year: 2025

Project Summary: 2nd concept

The first concept reflects an Italian style with elegant cypress trees, symmetrical flower beds, and a central fountain.

FRONT YARD - FIRST OPTION

LANDSCAPE DESIGN

PROJECT DETAILS

Location: Surrey, BC, Canada

Year: 2025

Project Summary: 2nd concept

The second option features a modern cascading park with a tiered fountain and clean architectural lines.
